

Time	Topic	Room
0830	Welcome to Country Opening Remarks <i>Joanne Gray, ACM President</i> <b>Getting to be 'together at the top' – tips, tricks and lessons learned along the way</b> <i>Caroline Homer</i>	Plenary Hall
1030	Morning Tea	Exhibition Hall
1100	<b>Concurrent Session A</b>	
A1	Midwives Role in Reproductive Health Chair: Cate Nagle	Plenary Hall
	O1 Midwives: Let's talk about sex and reproductive health <i>Zoe Bradfield, Curtin University and King Edward Memorial Hospital</i>	
	O2 "Do you want another baby after this?": How midwives discuss contraception with pregnant and postpartum women <i>Melanie Tulloch, Canterbury Hospital and Royal Prince Alfred Hospital</i>	
	O3 Who is responsible for postpartum contraception advice and provision? The perspective of hospital-based maternity clinicians in NSW, Australia <i>Melanie Tulloch, Canterbury Hospital and Royal Prince Alfred Hospital</i>	
	O4 Providing unplanned pregnancy care and Early Medical Abortion to marginalised groups at the Kirketon Road Centre (KRC) - a walk in targeted primary health care service in Kings Cross, Sydney <i>Katrina Molloy, Kirketon Road Centre</i>	
A2	Midwifery Clinical Practice Chair: Karen Yates	Mezzanine M5 & M6
	O5 A review of post-dates induction of labour research: a critical discourse analysis <i>Beth Shorter, Griffith University</i>	
	O6 "A way to bring my labour back to normal": An immersive sensory experience during childbirth <i>Mariann Hadland, Townsville University Hospital and Townsville Institute of Health Research and Innovation</i>	
	O7 Informed decisions in the third stage of labour – midwives experiences through the lens of portraiture <i>Joy Kloester, Monash University</i>	
	O8 Re-defining Antenatal Care - development and implementation of IMAP in a Large Tertiary Referral Maternity Service <i>Nicole Bennett and Jennifer Haxton, Hunter New England Health</i>	
A3	Contemporary Midwifery Issues Chair: Alison Weatherstone	Mezzanine M1
	O9 Keeping Rural Maternity Services a top priority: a case review of transitioning to a midwifery-led model of care <i>Olivia Tierney, Deakin University and Mid North Coast Local Health District</i>	
	O10 Findings from a Qualitative Survey in the Asia-Pacific Region on Maternal and Perinatal Death Surveillance and Response (MPDSR) and Maternal Health Service Disruptions During the COVID-19 Pandemic 2020–2021 <i>Rachel Smith, Burnet Institute</i>	
	O11 A Vision for Women	

	<i>Donna Garland, Royal Hospital for Women</i>	
	O12 Multiple birth mental health outcomes throughout pregnancy, delivery and postnatally <i>Fiona Lally and Julia McCarthy, Australian Multiple Birth Association</i>	
A4	Midwifery Professional Issues Chair: Lesley Brown	Ground G1
	O13 Introduction of the London Measure of Unplanned Pregnancy at the booking visit and the midwives' perspective <i>Kate Cheney, University of Sydney</i>	
	O14 Creative Arts Intervention in Support of Women Experiencing a High-Risk Pregnancy <i>Helena Anolak, Federation University</i>	
	O15 Introduction of the London Measure of Unplanned Pregnancy at the booking visit <i>Kate Cheney, University of Sydney</i>	
	O16 Engagement in health services among expectant and new fathers: Qualitative findings from a cross sectional study <i>Vanessa Watkins, Deakin University</i>	
A5	Workshops Chair: Kellie Wilton	Mezzanine M7 & M8
	W1 <u>Workshop</u> - Protecting the Pelvic Floor During Pregnancy, Birth and Postpartum: Putting Physiology in Practice <i>Bernadette Lack, Core and Floor Restore</i> Gain a deeper understanding of the physiology of the core and pelvic floor during pregnancy, birth and postpartum. Learn practical techniques to assist women in protecting their core and pelvic floor during these stages.	
	W2 <u>Workshop</u> - Shining the light on surgical birth during the antenatal period. Caesarean section is a possibility in every pregnancy but how do pregnant people learn about the risks and benefits beforehand? <i>Leonie Rastas and Janine McKnight, Caesarcare</i> Bring awareness to the importance of providing childbirth education that teaches about the possibility of caesarean birth, its risks and benefits and recovery aspects.	
<b>1230</b>	<b>Lunch</b>	<b>Exhibition Hall</b>
	<b>Poster Tour</b> Chair: Megan Cooper P1 Prenatal Screening Health Project - Down Syndrome Queensland <i>Kara Williams</i> P2 Nurturing human potential from the beginning of life. A case report of prenatal bonding <i>Yordanka Berg Blanc</i> P3 Omega-3 to Reduce the Incidence of Preterm Birth – from bench to bedside <i>Karen Best</i> P4 The relationship between vitamin D supplementation before 24 weeks gestation and risk of preeclampsia <i>Andrew Szabo</i> P5 Expectant and new fathers' health literacy and engagement in maternity and early infant health services <i>Vanessa Watkins</i> P6 An Audit of the Early Pregnancy Assessment Service: A retrospective cohort Study Gaksoo Lee P7 How can we work together to keep families safe from antimicrobial resistance? <i>Shahla Meedyia</i> P8 Intravenous fluids for Moderate to Severe nausea and vomiting in pregnancy In the Community (IMSIC): Implementation protocol <i>Alison Canty</i> P9 Breastfeeding Bootcamp Workshop <i>Tracey Garland</i> P10 Let's examine the evidence for Tongue Tie and Lip Tie Surgical Treatment <i>Lois Wattis</i>	Mezzanine

	<p>P11 Barriers and enablers to breastfeeding for women who have a high body mass index: a mixed-methods study <i>Margie McCormick</i></p> <p>P12 Midwives, The Military, and Pregnancy . . . Loss <i>Alexandria Modrzyński</i></p> <p>P13 Exploring lived experiences of Stillbirth – the need to change the focus of bereavement care to follow-on rather than follow-up <i>Vanessa Tilbrook and Rebecca Smith</i></p> <p>P14 Weaving Holistic Reflection within Midwifery Education and Practice <i>Janice Bass</i></p> <p>P15 Bullying in the Australian and New Zealand Midwifery Workforce: A Scoping Review <i>Megan Thorn</i></p> <p>P16 Generation Victoria (GenV): A whole-of-state maternal and early life platform spanning DOHaD to Intervention <i>William Siero</i></p> <p>P17 Group Clinical Supervision - its tops! Christine Catling</p> <p>P18 Using poetic inquiry to give voice to women who had a traumatic birth through bearing witness <i>Hazel Keedle</i></p>	
1330	<b>Concurrent Session B</b>	
B1	<p><a href="#">Midwifery Clinical Practice</a> Chair: Jocelyn Toohill</p> <p>O17 Two versus four sterile water injections for managing back pain in labour <i>Nigel Lee, The University of Queensland</i></p> <p>O18 Benchmarking nitrous oxide use in maternity care: Clinical audit and consumer perspectives <i>Zoe Bradfield, Curtin University and King Edward Memorial Hospital</i></p> <p>O19 Planning for caesarean: supporting woman-centred care through a formal birth plan <i>Emily Mignacca, King Edward Memorial Hospital</i></p> <p>O20 Midwives' experiences administering sterile water injections for back pain during labour: a qualitative study <i>Virginia Stulz, Western Sydney University</i></p>	Plenary Hall
B2	<p><a href="#">Evaluating and Improving Outcomes</a> Chair: Michelle Gray</p> <p>O21 Irrevocably connected to Australia and Australian midwives, and running on the proverbial smell of an oily rag, this low-resource Kenyan Birth Centre consistently shows remarkable outcomes. Here is its story <i>Vicki Chan, University of the Sunshine Coast</i></p> <p>O22 Reducing Infant Mortality in Queensland: the impact of the Pēpi-Pod® Program <i>Jeanine Young, University of the Sunshine Coast</i></p> <p>O23 Ten years of a publicly funded homebirth in Victoria: maternal and neonatal outcomes <i>Linda Sweet, Deakin University</i></p> <p>O24 Perinatal outcomes of socially disadvantaged women in Victoria, Australia: A population-based retrospective cohort study of 1,188,872 singleton births 1999-2016 <i>Fiona Faulks, La Trobe University</i></p>	Mezzanine M5 & M6
B3	<p><a href="#">Midwifery Professional Issues</a> Chair: Ann Kinnear</p> <p>O25 Contemporary Maternity Research Priorities for the Nation's Biggest Health Service: Results of a Delphi Study <i>Tarryn Sharp, WA Country Health Service</i></p> <p>O26 Barriers and enablers for midwives to use the Nursing and Midwifery Board of Australia's Endorsement for scheduled medicines for midwives <i>Paula Medway, Flinders University</i></p> <p>O27 Maternity Connect: An evaluation of a professional upskilling education program for rural midwives and nurses</p>	Mezzanine M1

	<i>Kylie Martin, Western Health</i>	
	O28 The state of the midwifery workforce in Victoria – a population-based cross-sectional study of maternity managers and midwives <i>Robyn Matthews, La Trobe University and the Royal Women's Hospital</i>	
B4	A Focus on Students of Midwifery Chair: Donna Garland	Ground G1
	O29 Accountability, Advocacy and Autonomy: the top intentions for midwifery student learning in the Continuity of Care Experience <i>Olivia Tierney, Deakin University and Mid North Coast Local Health District</i>	
	O30 "Learning to learn": Commencing midwifery students' experiences of self-determined learning in an undergraduate midwifery program <i>Jennifer Eustace, Griffith University</i>	
	O31 Clinical outcomes for women participating in continuity of care experiences with pre-registration midwifery students <i>Nikki Tickle, Griffith University and Transforming Maternity Care Collaborative</i>	
	O32 I believe... philosophies and wishes of Victorian midwifery students moving into practice <i>Kate Dawson and Heather Wallace, Australian Catholic University</i>	
B5	Midwives and Collaborative Practice Chair: Frances Boothroyd	Mezzanine M7 & M8
	O33 "I think we should pull together as a team"- Together on the path to the top: Interdisciplinary collaboration in partnership with women on long-term health after hypertensive disorder of pregnancy <i>Heike Roth, University of Technology Sydney</i>	
	O34 Labouring Together: Women's Experiences of "Getting the Care that I Want and Need" in Maternity Care <i>Vanessa Watkins, Deakin University</i>	
	O35 Womens experiences on their infant feeding during COVID-19 <i>Shahla Meedy, University of Wollongong</i>	
	O36 Labouring Together: Clinicians' Experiences of "Working Together To Get The Best Outcomes" in Maternity Care <i>Vanessa Watkins, Deakin University</i>	
1500	<b>Afternoon Tea</b>	<b>Exhibition Hall</b>
1530	NMBA Update <i>Veronica Casey</i> Panel: The role of midwives in the prevention of prenatal alcohol exposure <i>Facilitated by Kellie Wilton</i> <b>Culturally safe continuity of midwifery care for First Nations women – translating evidence into practice</b> <i>Helen McLachlan and Res McCalman</i> <i>Chair: Ali Teate</i>	Plenary Hall
1700-1800	<b>Networking Drinks</b>	<b>City Terrace</b>

Time	Topic	Room
0715	Yoga <i>Frances Boothroyd</i>	City Terrace
	Student Breakfast Making Marvellous Midwives - Creating connections for your future <i>Caroline Homer and Rachel Smith</i>	Mezzanine M7 & M8
0830	Welcome <i>Zoe Bradfield, ACM Vice President</i> <b>Leading midwifery forward – simple strategies for immediate change</b> <i>Tracy Maxted</i> New Frontiers in Perinatal Mental Health <i>Nicole Highet</i> Recognising our profession: Generic Level Statements for midwives by midwives: A QNMU and QH initiative <i>Belinda Maier</i> O37 The PNG Midwifery Leadership Buddy Program; bringing midwives together <i>Helen Hall, Federation University</i> C1 Stronger Together (Original song) <i>Lucy Mount, Flinders University</i>	Plenary Hall
1030	<b>Morning Tea</b>	<b>Exhibition Hall</b>
1100	<b>Concurrent Session C</b>	
C1	Midwifery Clinical Practice Chair: Ash Grimes	Plenary Hall
	O38 Identifying outcomes for vasa praevia that are important for women: a qualitative study to inform a Core Outcome Set <i>Nasrin Javid, Royal Prince Alfred Hospital and University of Technology Sydney</i>	
	O39 Manual rotation in labour: a systematic review and meta-analysis of randomized controlled trials <i>Hala Phipps, Sydney Local Health District</i>	
	O40 Togs on or Togs off? Perineal outcomes for women who birth in water compared to women who do not <i>Sari Holland, Townsville University Hospital</i>	
	O41 Is the partogram still relevant? Findings of a randomised trial comparing two partogram designs for monitoring active labour progress in low-risk women <i>Nigel Lee, The University of Queensland</i>	
C2	Midwifery Clinical Practice Chair: Vanessa Scarf	Mezzanine M5 & M6
	O42 If you build it - they will come: Innovative approaches to Graduate recruitment, retention and development <i>Jodie Atkinson, Women and Newborn Health Service</i>	
	O43 Together we can co-design perinatal interprofessional psychosocial education for maternity clinicians <i>Virginia Stulz, Western Sydney University</i>	

	O44 Midwives and maternity vaccination programs: critical learnings from the COVID-19 pandemic <i>Zoe Bradfield, Curtin University and King Edward Memorial Hospital</i>	
	O45 Birth Houses in Australia: Women's motivations for and experiences of using birth houses. <i>Rowena Shakes, Griffith University</i>	
C3	<b>Student Session</b> Chair: Allison Cummins	Mezzanine M1
	S1 Clinical midwifery placement: Undergraduate student's experiences with novice and expert preceptors <i>Kate Thomas, Monash University and Monash Health</i>	
	S2 Taking Midwifery to the Top and Beyond: PNG Midwifery Rural Care Practicum Experience <i>Cherolyn Polomon, Pacific Adventist University, PNG</i>	
	S3 Nepalese nursing students' experiences of witnessing disrespectful and abusive care towards women during labour and childbirth <i>Elizabeth Newnham, University of Newcastle</i>	
	S4 What women want for the next birth: a content analysis on the wishes for future pregnancy in a national Australia survey (BEST) <i>Risharda Lockwood, Western Sydney University</i>	
C4	<b>Postnatal Issues</b> Chair: Jenny Wood	Ground G1
	O46 Standing together at the top – Working with women to provide breastfeeding support in a regional hospital <i>Shahla Meedy, University of Wollongong</i>	
	O47 What modifiable factors improve breastfeeding exclusivity and duration in Australian women? <i>Susan Tawia, Australian Breastfeeding Association</i>	
	O48 InterPregnancy Interval Planning after caesarean section. The PIP study <i>Alison Canty, South West Sydney Local Health District and Maridulu Budyari Gumal</i>	
	O49 Stillbirth Investigations and Shared Decision Making - Healthcare Professional learning needs <i>Vanessa Tilbrook and Rebecca Smith, Women's and Children's Health Network</i>	
C5	<b>Workshop</b> Chair: Paula Wells	Mezzanine M7 & M8
	W3 <b>Workshop - To-Get-There, Together: Creative Approaches to Mentoring Conversations</b> <i>Kelley Lennon, Melinda Cook and Alexa Buliak, NSW Ministry of Health</i> Experience some of the Appreciative Inquiry (AI) tools used within the NSW Health Mentoring in Midwifery (MiM) Program.	
<b>1230</b>	<b>Lunch</b>	<b>Exhibition Hall</b>
	<b>Poster Tour</b> Chair: Jodie Atkinson P19 Ever taught an antenatal and/or early parenting education session? It's just not picking up a pen, pelvis, and baby doll! CAPEA can help you <i>Jacqui Morrison</i> P20 The future of Childbirth Education in maternity care; Raising the bar and changing the consumer experience of antenatal education when preparing for parenthood during a global pandemic <i>Lesley Pascuzzi</i> P21 Mobile Midwives Transforming Midwifery Care <i>Marge Foley</i> P22 Negotiating the system: Women's experiences of antenatal exclusion from publicly funded homebirth <i>Rebecca Coddington</i> P23 Who do you think we are? Community perceptions of a midwife <i>Rhian Cramer</i> P24 A critical reflective 'together at the top' conversation: Engaging with social media. Are these the change agents of the future to disseminate practice knowledge and research findings amongst health professionals? <i>Catherine Mary Anne Donaldson</i> P25 Building a Maternity Service Together	Mezzanine
